WHO WE ARE

One call for the lift and the move

Skyline Movers Cargo Transport L.L.C is a Dubai-licensed crane rental and heavy transport company. We provide mobile cranes from 25 to 300 ton together with flatbed and lowbed trailers, for any lifting or transport requirement.

Our clients deal with one company, one quotation and one invoice, whether the job is a single lift, a machine relocation, or a crane on monthly hire at a project site.

WHO WE WORK WITH

Sectors we serve

Main contractors and subcontractors, MEP and HVAC contractors, steel fabricators and precast yards, generator and machinery suppliers, factories and warehouses, and freight and logistics companies.

WHAT WE DO

Services

01

Mobile crane rental

Mobile cranes from 25 to 300 ton, supplied with operator. Available per day, per week or per month.

02

Flatbed and lowbed transport

Flatbed trailers for steel, containers, generators and construction materials, and lowbed trailers for heavy machinery and oversized equipment.

03

Lift and shift

Crane and trailer arranged together for equipment relocation. We load, move and place, so you do not have to coordinate two suppliers.

04

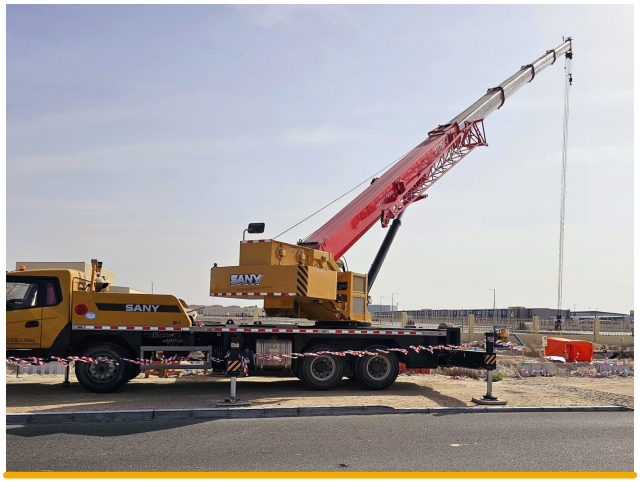

Project hire

Cranes placed on site for the duration of a project phase, with agreed hours, overtime rates and a single monthly invoice.

TO QUOTE QUICKLY, SEND US

What we need from you

Crane jobs	Load weight and dimensions, lifting radius and height, site location, date and expected duration.
Transport jobs	Cargo type, weight and dimensions, pick-up and delivery locations, date, and whether loading or offloading is needed.
Project hire	Capacity required, start date, duration, working hours and site location.

EQUIPMENT

What we provide

Equipment	Capacity / type	Hire basis
Mobile cranes	25 to 300 ton	Daily / weekly / monthly
Flatbed trailers	General cargo	Per trip / daily / monthly
Lowbed trailers	Heavy and oversized equipment	Per trip / daily / monthly

Cranes are supplied with operator and trailers with driver. All equipment comes under our company name and tax invoice, with valid third-party certification and insurance.

HOW WE WORK

What you can expect from us

01 **Fast quotations**
Send us the load weight, lifting radius, location and date. We reply with a price and availability the same day, usually within the hour.

02 **Documents before mobilisation**
Third-party inspection certificate, operator licence, insurance and vehicle registration are shared before the equipment reaches your site.

03 **The right crane for the lift**
We check the load and radius against the crane's load chart before confirming, so the machine that arrives can do the job.

04 **Breakdown support**
If a machine stops, downtime is not charged and we arrange repair or a replacement as quickly as possible.

05 **One point of contact**
One quotation, signed timesheets, and one tax invoice covering crane and transport.
